# WINE

## Testarossa Winery

Like all great start-ups, Testarossa Winery was started in 1993 in Rob and Diana Jensen's Silicon Valley garage. Since then it has grown to national prominence, garnering more than 1,700 scores of 90+ points by renowned wine critics. Testarossa is known for its premier California cool climate Chardonnay and Pinot Noir. They work with the highest quality California vineyard owners and growers in the best appellations for California pinot noirs. With more than a dozen single vineyard pinot noir and a few appellation blends, there is always a style in Testarossa's portfolio to satisfy every palate.

Zanotto's Markets are very happy to be featuring award-winning wines from Testarossa during the entire month of May. As always, we thank you for your continued support of our wine department and we look forward to seeing you soon in one of our stores.
