## WINE

## THE WINES OF J. Lohr Vineyards

In 1974, J Lohr released its first wine. Since that day, the Lohr family and team have helped bring Cabernet Sauvignon from Paso Robles and Chardonnay from Monterey County to global prominence. J Lohr's commitment to environmental stewardship and sustainable practices is woven into every aspect of the winery's life. J Lohr's dedication can be seen in the almost 30 individual J Lohr wines that each proudly earned the California Certified Sustainable seal on their labels. Over five decades and still family-owned and operated today, J Lohr Vineyards & Wines has established itself one of the industry's most respected wine brands.

Zanotto's is proud to be featuring five of their popular wines with extremely attractive pricing for the entire month of April. As always, we thank you for your continued support of our wine departments and we look forward to seeing you soon at one of our three stores.
