REAL NEBRASKA BEEF

Fresh, lean and all natural Certified Piedmontese Beef. It's leaner than Angus beef, has fewer calories, less fat, and higher protein per ounce than beef from other breeds without sacrificing the tenderness and flavor. A serving of Certified Piedmontese beef has even

fewer calories ounce-for-ounce than salmon, yet it challenges Prime-grade beef products in tenderness. This wonderful grind makes the perfect base for your meatball, meatloaf, burger recipes and more! If you haven't tried it yet, now's the perfect time!

With everything going on in the month of May, it's the perfect time to stock up and save!
