WINE

THE WINES OF

Gary and Kit, the visionary founders behind Clif Bar, brought that same passion for people and the planet to Napa Valley when they started Clif Family Winery & Farm. What began as a love of good food, great wine, and the outdoors has grown into a thriving estate rooted in community and a deep respect for the land.

At Clif Family, organic farming is a commitment. Every vine is grown without synthetic pesticides, nurturing healthy soils and a healthier ecosystem for generations to come. That dedication to the earth shows in every glass with wines that are expressive, honest, and a true reflection of where they come from.

Zanotto's is proud to be featuring five of their popular wines with extremely attractive pricing for the entire month of May. As always, we thank you for your continued support of our wine departments and we look forward to seeing you soon at one of our three stores.

RTE Blanc

From the Oak Knoll District Napa Valley. Refreshing and crisp. RTE Blanc encourages us to take the road less traveled where some of life's most rewarding moments can be found where you least expect them. And after a day of adventure, RTE Blanc is the perfect refreshing sipper.
