WINE

THE WINES OF Sinegal Estate

"Sinegal Estate is a family-owned 30-acre vineyard located in the heart of St. Helena, originally founded as the historic Inglewood Estate in 1881. Over the years, it has been cared for by just four families before being thoughtfully acquired by Jim and David Sinegal in 2013. Since then, the Sinegals have honored the property's rich heritage while elevating its potential through a blend of tradition and innovation. The estate features a state-of-the-art winery with advanced optical sorting, automated fermentation tanks, and a 6,800-square foot temperature-controlled cave all designed to produce wines of exceptional precision and balance.

Zanotto's is proud to be featuring five of their popular wines with extremely attractive pricing for the entire month of February. As always, we thank you for your continued support of our wine departments, and we look forward to seeing you soon at one of our three stores."
