WINE

THE WINES OF
Kendall Jackson

Like Zanotto's, Kendall-Jackson is and has always been a family owned business for multiple generations. Their story began in 1982, rooting the vines in the rich soils of California Wine Country. They didn't just set the bar as 'America's Favorite Chardonnay' or pioneers in sustainable winemaking—they work hard every day to ensure they are raising it. Kendall Jackson's estate vineyards are situated throughout California's cool-climate, coastal winegrowing regions atop mountains, ridges and hillsides. From these breathtakingly beautiful sites, our winemakers draw a rich palette of aromas and flavors to handcraft wines of exceptional depth and complexity.

Zanotto's is proud to be featuring six of their popular wines with extremely attractive pricing for the entire month of January. As always, we thank you for your continued support of our wine departments and we look forward to seeing you soon at one of our three stores.
