WINE

THE WINES OF TESTAROSSA WINERY

Like all great start-ups, Testarossa Winery was started in 1993 in Rob and Diana Jensen's Silicon Valley garage. Since then it has grown to national prominence, garnering more than 1,700 scores of 90+ points by renounded wine critics. Testarossa is know for it's premier California cool climate Chardonnay and Pinot Noir. They work with the highest quality California vineyard owners and growers in the best appellations for California pinot noirs. With more than a dozen single vineyard pinot noir and a few appellation blends, there is always a style in Testarossas Portfolio to satisfy every palate.

Zanotto's Markets are very happy to be featuring award winning wines from Testarossa during the entire month on November. As always, we thank you for your continued support of our wine department and we look forward to seeing you soon in one of our stores.
