WINE

THE WINES OF
Kendall Jackson

Making good wine takes time. Growing great wine takes a lifetime. Kendall Jackson's story began in 1982, rooting the vines in the rich soils of California Wine Country. They didn't just set the bar as 'America's Favorite Chardonnay' or pioneers in sustainable winemaking - they work hard every day to ensure they are raising it. Kendall Jackson's estate vineyards are situated throughout California's cool-climate, coastal wine-growing regions atop mountains, ridges and hillsides. From these breathtakingly beautiful sites, our winemakers draw a rich palette of aromas and flavors to handcraft wines of exceptional depth and complexity.

Zanotto's is proud to be featuring five of their popular wines with extremely attractive pricing for the entire month of October. Always, we thank you for your continued support of our wine departments and we look forward to seeing you soon at one of our three stores.

KENDALL JACKSON
Cabernet Sauvignon

This red wine is made from grapes grown on Sonoma and Mendocino County mountain sides resulting in superb structure and aromas of lush, bright black cherry, blackberry and cassis. Notes of cedar, vanilla and a hint of mocha linger on the finish. 750 ml. Bottle
