WINE

THE WINES OF
Dry Creek Vineyards

For over 50 years Dry Creek Vineyards have passionately crafted the best wines in the region from a combination of estate-grown and purchased grapes from small local family farms. Dry Creek is 100% certified sustainable and is constantly looking to raise the bar in all that they do. Never cutting corners; they go the extra mile. And above all, they care deeply about their wines, their vineyards and their customers.

Zanotto's is proud to be featuring five of their popular wines with extremely attractive pricing for the entire month of March. As always, we thank you for your continued support of our wine departments and we look forward to seeing you soon at one of our three stores.
